As an extension of our living space the bathroom is a place to escape to in order to unwind and relax. Minimal design with an uncluttered, neat finish being the ultimate goal, from the largest fixtures and fittings such as the bath and shower, to the smallest details such as shower hardware.

With the rise of emphasis on interior design and the growing desire to live in a truly unique space, there is an opportunity to create the most elegant bathrooms ever seen.

---

# *Bespoke Frameless Shower Screens*

The size and shape of the shower can be customised to suit the individual bathroom. Whether trying to fit a shower into a corner, a triangular space or an L-shape, CRL frameless shower screens can be customised to fit even the most awkward of spaces.

Now more than ever before, the bathroom is a place of sanctuary. A Spa-like retreat away from the cares of the world, big on comfort and all-out luxury. With wellness in mind, create a soothing, relaxing environment that will be a pleasure to spend time in.

Featured: Vicenza in a Satin Brass finish. Ceralsio Pietra Grey flooring with walls clad in Ceralsio Montblanc White.

CRL combines stunning shower spaces with luxurious porcelain and MDi in beautiful surroundings. We work closely with interior designers to help them realise your dreams.

With over 50 years of experience designing, engineering and manufacturing a wide range of architectural fittings including frameless shower

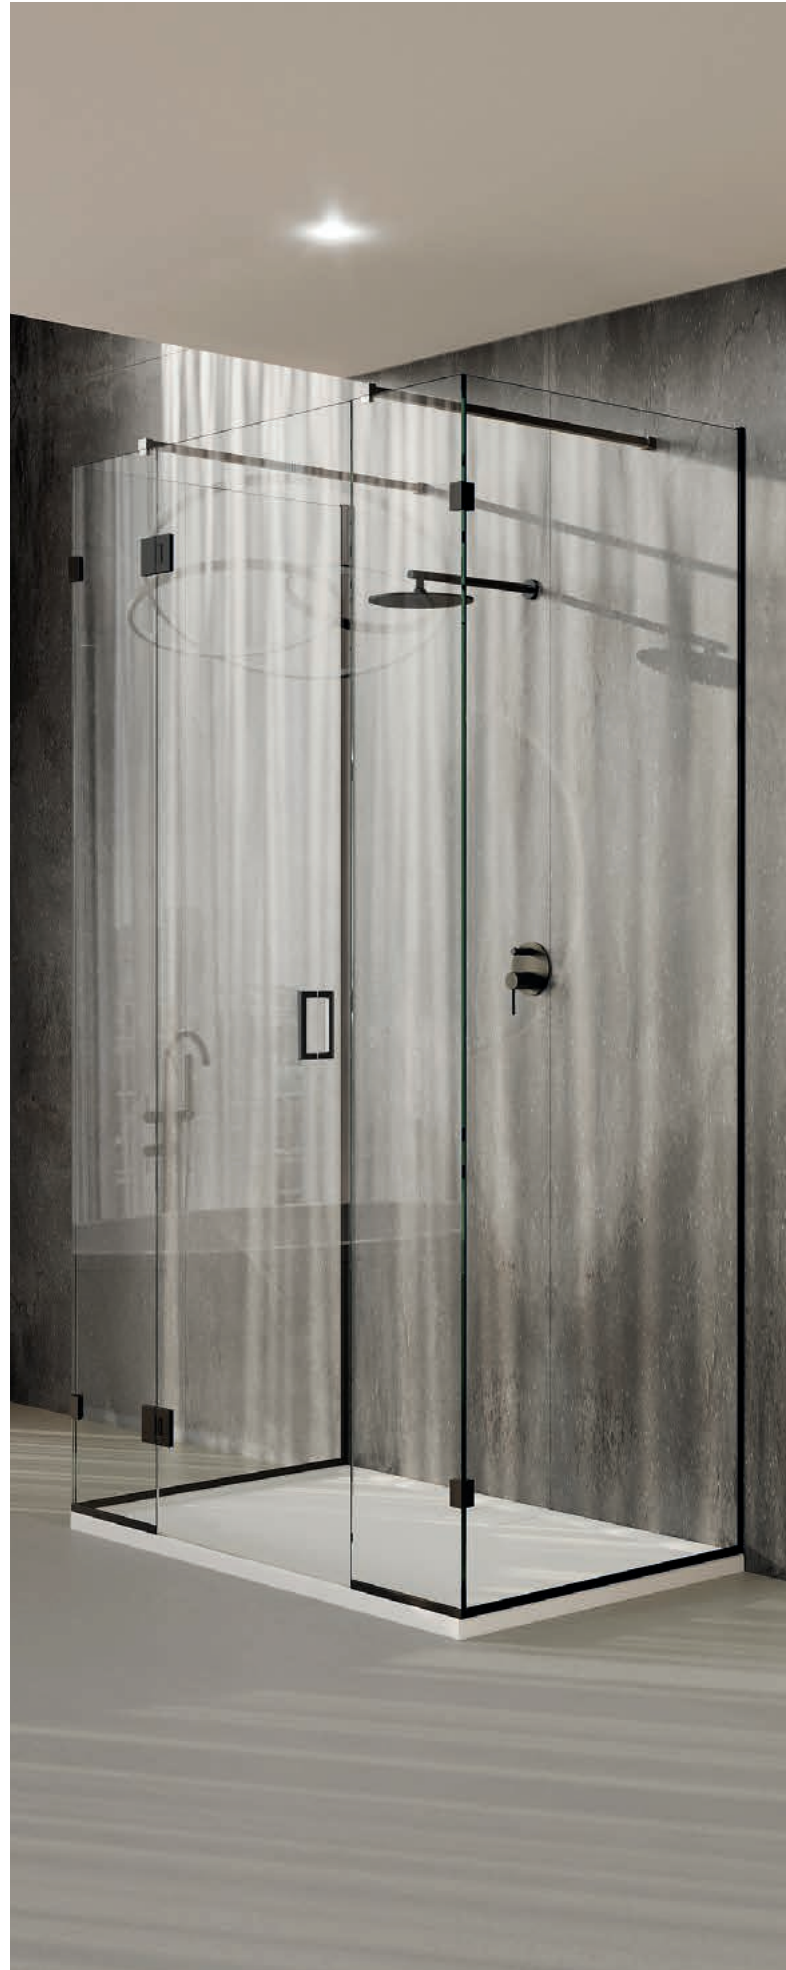

fixings, CRL have developed a comprehensive selection of quality shower hardware. With several ranges of shower fixings in 11 on trend finishes to suit any interior design. You're sure to find the right look to suit your bathroom.

---

## *About CRL*

---

Featured: Geneva in a Matte Black finish, with Ceralsio Soft White flooring and Inalco MDi Ferro Vecchio wall cladding.

In addition to this CRL's Stone division supply an exclusive collection of large format porcelain and MDi surfaces designed for use throughout bathrooms, wet rooms, kitchens and also as floor and wall surfaces. The 3.2m large format surfaces enable floor to ceiling cladding with no horizontal joint lines for a clean modern design.

With over 30 finishes to choose from you can create almost any look for your bathroom or wetroom.

Featured: Full height wall cladding, Inalco MDi Meteora Gris.

CRL allows you to create enclosures and screens in the tightest and most awkward of spaces right through to the largest enclosures imaginable. Using the highest quality materials of brass, stainless steel and aluminium, all plated and anodised to create the perfect finish.

---

## *The benefits & performance*

Extensive range of finishes to complement any room design

High quality products that stand the test of time

Freedom to create bespoke designs to fit any style, size and shape of bathroom

CRL Shower fixings are designed to accept 8mm or 10mm glass to complete the feeling of quality and luxury

---

Featured: Vienna in an Antique Bronze finish. Ceralsio Soft White flooring with walls clad in Ceralsio Varese Onice. Sink clad in Inalco MDi Oatmeal.

## *Anything is possible...*

---

Every CRL shower enclosure is individually designed from the highest quality materials to enable you to create your dreams.

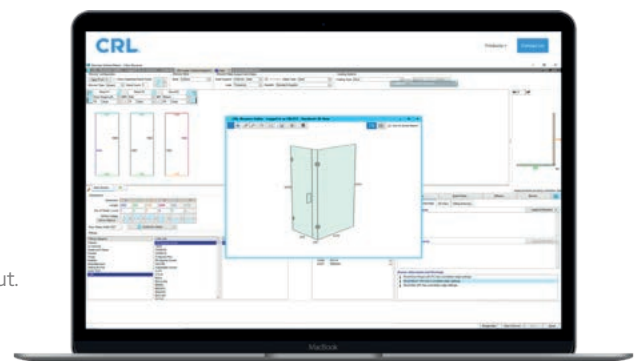

Bathrooms and ensuites are no longer seen as purely functional rooms. They have developed into spaces to relax and unwind or simply indulge and pamper. With the broadest choice of shower fixings in a variety of designs and finishes CRL can help you create your dream bathroom.

## *Design your bathroom*

CRL Showers online allows the designer to create a bespoke enclosure for any bathroom layout.

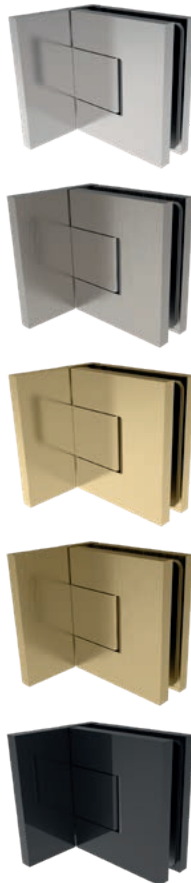

Featured: Bellagio in a Chrome finish. Inalco MDi Storm Gris floor and wall cladding with Ceralsio Carrara Vagli feature wall in the shower area.

# *Our finishes, discover yours...*

Colour schemes are all important in creating "the look", fixtures such as furniture and brassware play their part in creating a minimal impression.

Shower hardware is now more of a focal point than ever, particularly with the shift towards open-plan bathrooms and walk-in shower areas resulting in the brassware and other fixtures and fittings being immediately visible, this is why CRL offer a range of 11 exclusive colour finishes in several eye catching designs.

Right: Featured brassware from the Bellagio range in Brushed Nickel, Chrome, Satin Brass, Polished Brass and Matte Black finishes.

An important feature of a minimal glass shower area is practicality, the Siena series serves a very visual purpose too, with its elegant styling ensuring it will blend seamlessly with any surroundings. The bevelled edging really sets this range apart, turning it into a real feature of the shower frame.

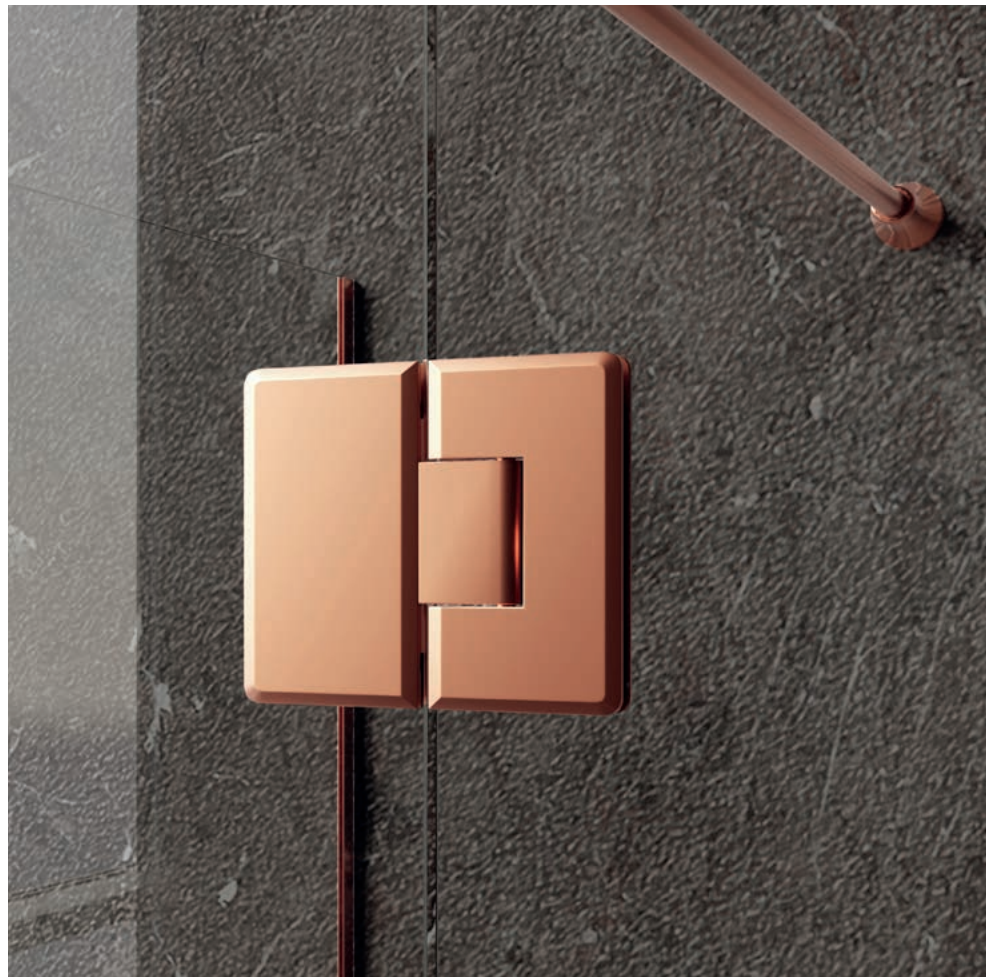

The hinge can be configured in a number of ways to suit the setting and the available space, making installation simple and maximising comfort levels in terms of accessibility in large and small bathrooms alike. Siena can be chosen in a variety of on-trend finishes to make it an integral part of the design of the room overall.

Remember with CRL showers you don't have to follow the standard configurations. Any shape, size or design can be catered for. Any configuration can be left or right handed.

Bellagio has a minimalistic and compact design, for a sleek and streamlined impression in the modern bathroom. The square cornered look is elegantly modern, drawing the eye for all the right reasons when teamed with a simple glass screen.

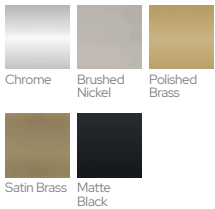

Made from solid brass, Bellagio is a self-closing hinge that brings a little touch of luxury to the bathroom, and can be positioned in a number of different ways to suit the specific needs of the space. This enables a comfortable shower area to be created in even the most awkwardly shaped of bathrooms with ease.

Featured: Square back to back pull handle in a Brushed Bronze finish with Ceralsio Belvedere Black wall cladding.

Maintaining the frameless appearance of contemporary showers and providing an uncluttered and minimal look, Prima is suitable for top and bottom mounting, which leaves more of the glass on show. The bevelled edge of the hinge gives it an elegantly timeless appeal, ensuring it will be at home in the traditionally styled or thoroughly modern bathroom.

Made from solid brass for a quality construction that can be relied on, the Prima hinge is available in a range of finishes, enabling it to be matched with brassware and accessories for a co-ordinated look throughout the bathroom.

Maximising accessibility and style for overbath showering in even the tightest of bathroom spaces, the clever design of the CRL Verona hinge meets every requirement.

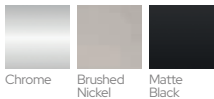

Offering superior support, Verona clamps to the bathroom wall, securely holding the glass shower screen in place while ensuring it can be almost effortlessly moved to one side to enable access to the bath. Providing the best of both worlds in family bathrooms whether taking a shower or enjoying a bath, the minimal design of Verona creates a streamlined impression, while the high-quality finish can be matched with brassware for a cohesive look throughout.
